**World Book Day**

**Wake Up & Shake Up**

**Little Musketeers**

**Snow!**

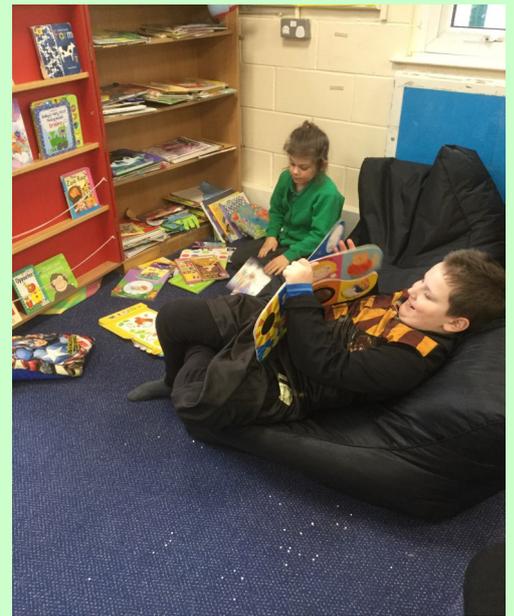

**Sensory**

**Easter Activities**

**World Book Day**

We celebrated World Book Day across the school with lots of reading activities. We were very pleased with the effort made by so many people with the costumes!

Children across the school took part in Wake Up & Shake Up activities each morning during Sport Relief week. It gave us a great feeling and set us up for the day ready for learning.

Class 8 have worked with Everton in the Community this term and practised our ball skills. We have been working in teams and getting very competitive!

Class 7 are continuing to love the Little Musketeers sessions!

Class 4 had no problem with the 'Beast from the East' and loved playing out in the snow!

Class 9 have been doing lots of sensory activities this term!

Classes 14 and 15 have been doing some 'egg-cellent' Easter activities! We had an egg and spoon race and then we helped bake cakes for a cake sale. We managed to raise £137 for the Whitechapel Centre!

### Dates for your diary

Monday 9th April; Children return to school

We will be in touch via the website and OurSchoolsApp in the early part of the new term to communicate dates about assemblies and any other events that are going on in school. Have a lovely break and we'll see you all in April!

We return on:  
Monday 9th April

Head Teacher Kathy Brent
