

Learning Support Assistants

Princes Primary School

Princes is a Primary School for pupils with severe learning difficulties. Around 60% of children have an additional diagnosis of Autistic spectrum disorder and many have medical, physical or sensory needs.

The main school building is situated in Toxteth and we have two satellite units at Smithdown and Phoenix Primary Schools. We have a very supportive governing body, staff who are committed to providing high quality and enjoyable teaching and learning opportunities and a spacious, well resourced environment with extensive grounds and play areas. Children are admitted from across the city. We have strong links with both special and mainstream schools across the region.

We currently have 135 pupils across the three sites.

- Princes Primary
10 classes of pupils aged 4 – 11
- Princes @ Smithdown
2 classes of Key Stage 2 pupils, aged 8-11, offering a bespoke, specialised curriculum within a mainstream setting. Children work in their own specialist classes but additional high quality inclusion opportunities are provided for Princes pupils alongside their mainstream peers
- Princes @ Phoenix
3 class assessment unit for pupils aged 4 – 6

All staff can be expected to work across EYFS, KS1, KS2 and in all 3 settings.

Governors are seeking to appoint highly motivated, exceptional practitioners to work alongside a team of experienced staff in our outstanding school (OFSTED November 2017)

You should be creative, energetic and enthusiastic with a good sense of humour! You will have high expectations and be committed to helping pupils to become confident, secure and happy learners.

We are a National Support School and a Teaching School. The school also has accreditation with the National Autistic Society
