MUSIC DEVELOPMENT PLANNER

Overview	Area	Music Curriculum
	Requirement	Music education that is rich in quality and breadth with high expectations for all pupils.

<p>At Princes</p> <p>The music curriculum at Princes covers the pre-formal learning pathway up to Key Stage 1 National Curriculum.</p> <p>Our curriculum covers a range of musical instruments and music from a wide range of genres, cultures and eras. This includes live and recorded experiences.</p> <p>A group of semi-formal pupils are currently working with Noise Academy to achieve their Level 1 DJ award.</p> <p>Visiting musicians work with various classes.</p>	<p><u>Key Actions</u></p> <p>Continue to apply for grants so that we can increase the breadth and quality of instruments, technology and opportunities available to our pupils.</p> <p>Research adapted music technology for pupils with disabilities, apply for grants/utilise the music budget to so that all pupils have equal opportunities to play and create music.</p> <p>Create an inclusive music list similar to the Princes book list so that children are exposed to music from a board range of genres and cultures throughout the year. One way to organise this list could be through popular themes/topics that different pathways cover.</p> <p>Look at the confidence and knowledge of school staff regarding the music curriculum and it's delivery (see page 3). This could be achieved through staff surveys or drop-ins.</p>
