## Register of Governor Pecuniary Interest

It is important that the Governors of the school not only act impartially but are seen to act impartially. This is demonstrated by maintaining a Register of Pecuniary Interests.

It is the responsibility of all members of the governing body of a school to complete in full, a statement of pecuniary interests. The purpose of this statement is to avoid any conflict between the business or personal interests of an individual and the interests of the school.

Name	Relevant business interest	Personal relationships	Date interest declared
Dr Peter Hawkins	None	Son is a member of staff	20.11.25
Mrs Anne Sweeney	None	None	20.11.25
